*The
Professional
Solution!*

Established 1939

Provides an instant repair with a flexible finish designed to last over 10 years. Very easy to apply straight from the tin (5L & 20L). Contains built in draylon fibre re-inforcement. Quickly waterproof a complete roof. Ideal for lining gutters, valleys or complicated junctions. Can be applied in damp conditions. No primer required in most cases. Labour, time and cost saving. Recommended coverage 1L per sq. m. Available in black, grey, white and solar reflective silver.

"You're going to love this product"

S BUCKLEY - ESSEX

"This paint is just brilliant"

GEOFF HERON - MALVERN

"This paint is fantastic!"

KATIE PECK - LEICESTER
